VICTOR

The insurance partner for car dealerships

Cutting-edge digital insurance solutions for automotive dealers

WHO WE ARE

INNOVATION AND COMMITMENT TO DEALERS

Victor Insurance Italia is a global insurance partner specialized in offering car dealers innovative products and tailored digital tools.

We help dealers expand their offering, increase sales profitability, and strengthen their customers' trust.

OUR COMMITMENT TO DEALERS

POWERFUL SOLUTIONS

We offer high-performing, comprehensive insurance solutions designed to ensure maximum efficiency and reliability, supporting dealers in facing and seizing opportunities in the automotive market.

SPEED AND SECURITY

Our digital tools are easy to use, allowing dealers to operate quickly and securely, while protecting their reputation and business.

THE BENEFITS OF BEING A VICTOR PARTNER

ADDITIONAL REVENUE

Dealers can generate new revenue by distributing insurance policies bundled with vehicle sales, thereby increasing their overall profits.

STREAMLINED DIGITAL PROCESSES

Thanks to the integration of advanced electronic signatures and secure digital processes, we reduce sales operating times, eliminating red tape and protecting every transaction.

MULTI-YEAR PROGRAMS

Victor offers multi-year insurance programs that ensure a continuous revenue stream, building lasting relationships and increasing customer loyalty.

OUR INSURANCE SOLUTIONS

CVT POLICY

Provides comprehensive coverage against theft, fire, vandalism, and socio-political events, ensuring maximum protection for the end customer's vehicle and peace of mind at the time of purchase.

DRIVER INJURY COVERAGE

Driver accident coverage ensures protection in the event of accidents, safeguarding drivers' wellbeing and contributing to their safety.

DEDUCTIBLE WAIVER

An option that eliminates or reduces the deductible payable by the customer in the event of a claim, removing unexpected costs and making claims handling simple and transparent.

RETURN TO INVOICE (RTI) GAP

Covers the difference between the car's market value at the time of the claim and its original purchase price, guaranteeing the customer a full refund in the event of total loss or theft.

CPI CREDIT PROTECTION

Protects the end customer in the event of difficulty repaying financing, ensuring continuity and peace of mind even in the most delicate situations.

ROADSIDE ASSISTANCE

A 24-hour emergency response service, designed to offer immediate support to customers in the event of a breakdown, accident, or unexpected event on the road.

LEGAL PROTECTION

Covers legal costs in the event of disputes or litigation related to vehicle use, offering the customer maximum peace of mind on the road.

SERVICES DEDICATED TO DEALERS

ONLINE SOLUTIONS

We offer integrated digital tools to facilitate dealership operations.

CUSTOMIZED REPORTING

Strategic analysis to assess sales performance and identify the best business opportunities.

ONGOING TRAINING

We provide refresher courses to ensure up-to-date skills and knowledge in the industry.

OFFLINE SOLUTIONS

We implement insurance distribution strategies to optimize sales and marketing.

CLAIMS MANAGEMENT

We offer proactive support in claims management to ensure effective service.

VICTOR CONNECT
TECHNOLOGY BY YOUR SIDE

DIGITAL PLATFORM

Victor Connect offers an innovative solution for generating insurance quotes simply, quickly, and securely, making dealers' work easier and improving the customer experience.

RELATIONSHIP SUPPORT

The platform is designed to actively support the relationship between Victor and the dealer, ensuring smooth, personalized interaction without replacing essential human contact.
technology in service.
