The screenshot shows the Victor Risk Advisory website. The top section has an orange background with the text "VICTOR RISK ADVISORY" and "Understand risk. Overcome risk." Below this is a paragraph: "The world is changing at an unprecedented pace. And complex new risks are emerging every year. To help you understand and overcome these challenges, Victor Risk Advisory provides rock-solid industry insights, risk mitigation tools and resources and much more." The bottom section is white and contains the text "Browse through hundreds of risk advisory resources." followed by a note: "Note: [Log in or register](#) to browse and access design and construction risk advisory content, continuing education, and Victor Contract Sifter, exclusive to Victor policyholders." Below the note is a filter instruction: "Filter by industry, product, topic, and content type or simply use the search bar to find a specific resource." At the bottom, there is a search bar with a magnifying glass icon, the word "Search", and a close button "x". To the left of the search bar is a "Filter" button with a filter icon.

ESG Risk Rater

Designed to measure environmental, social and governance risk across a firm's business

- Once an insured completes the assessment, they will receive a scorecard that includes:
 - their firm's overall ESG risk rating
 - individual component scores for "environmental," "social," and "governance"
 - scores across several ESG themes based on the World Economic Forum's sustainability framework
 - risk assessment scores in the context of controls, reporting, resilience, and high-level recommendations for improvements.
