

REAL ESTATE DEVELOPERS E&O INSURANCE

Coverage highlights

Providing real estate development services comes with complex risk. Victor's E&O insurance program for real estate developers provides the modern, flexible coverage developers need to navigate today's risk landscape and is the first market available directly to retail insurance agents and brokers.

Target markets

- Firms providing development, leasing, sales or acquisition services including on fully or partially owned properties
- Firms providing traditional real estate brokerage services that also provide design and/or construction management services for others
- Firms that perform property management and/or leasing services as well as design and/or construction management services on owned properties
- Firms that perform property management and/or leasing services as well as design and/or construction management services on behalf of others
- Firms providing real estate services that also develop properties by hiring the design and/or construction teams as subcontractors
- Firms providing real estate services that hire the design and/or construction teams and provide professional services for others
