

A CLOSER LOOK AT VICTOR'S FOREST & LOGGING PROGRAM

Forest & Logging Program Manager, Peter Elmalis

May 3, 2023

INTRODUCTION TO OUR PROGRAM

- Victor's Forest & Logging program was established over 30 years ago.
- Our program focuses on logging risks in all states excluding LA and NY (CA is not open to outside agencies due to an exclusive relationship in the state).
- Our Forestry program has been with the same carrier for over 5 years. Our carrier continues to be a strong partner looking to grow

AVAILABLE COVERAGES

- Coverages
 - General liability (*including loggers broad form property damage*)
 - Commercial auto
 - Inland marine
 - Excess (\$2 million)
- Auto and LBF – not available on a monoline basis, unless exception is made

WHAT DO WE OFFER BEYOND A POLICY?

- Victor provides industry specific risk management content that helps educate you and your insureds on important topics, including:
 - Industry insights
 - Claims scenarios
 - Risk mitigation tips and guidance
 - And more
- All accessible via our website

VICTOR'S DISTRIBUTION TEAM

- Our distribution team is located across the U.S. to provide support on the forestry program as well as the multitude of other Victor programs and products.
 - Distribution for forestry is on an open brokerage basis
 - We do not work with wholesalers

WHAT GETS YOUR SUBMISSION TO THE TOP OF OUR PILE?

- Complete submission
 - Victor forestry supplemental
 - 5 years currently valued loss run
 - Acord applications for all applicable lines
 - Drivers list
 - Target / expiring pricing
- Open communication on opportunity

= SUCCESS
