

**General Aggregate Limit - Per Project Endorsement**

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

It is understood and agreed as follows:

- I. For each single construction or service project away from premises the Named Insured owns or rents, a separate Project General Aggregate Limit, equal to the amount of the General Aggregate Limit shown in the Declarations, is the most the Insurer will pay for the sum of:
 - A. all damages under **Coverage A**, except damages because of “**bodily injury**” or “**property damage**” included in the “**products-completed operations hazard**,” and
 - B. all medical expenses under **Coverage C**;
that arise from “**occurrences**” or accidents which can be attributed solely to ongoing operations at that project. Such payments shall not reduce the General Aggregate Limit shown in the Declarations, nor the Project General Aggregate Limit applicable to any other project.
- II. All:
 - A. damages under **Coverage B**, regardless of the number of locations or projects involved;
 - B. damages under **Coverage A**, caused by “**occurrences**” which cannot be attributed solely to ongoing operations at a single project, except damages because of “**bodily injury**” or “**property damage**” included in the “**products-completed operations hazard**”; and
 - C. medical expenses under **Coverage C**, caused by accidents which cannot be attributed solely to ongoing operations at a single project,
will reduce the General Aggregate Limit shown in the Declarations.
- III. The limits shown in the Declarations for Each Occurrence, for Damage To Premises Rented To You and for Medical Expense continue to apply, but will be subject to either the Project General Aggregate Limit or the General Aggregate Limit shown in the Declarations, depending on whether the “**occurrence**” can be attributed solely to ongoing operations at a particular project.
- IV. When coverage for liability arising out of the “**products-completed operations hazard**” is provided, any payments for damages because of “**bodily injury**” or “**property damage**” included in the “**products-completed operations hazard**” will reduce the Products-Completed Operations Aggregate Limit shown in the Declarations, regardless of the number of projects involved.
- V. If a single construction or service project away from premises owned by or rented to the Named Insured has been abandoned and then restarted, or if the authorized contracting parties deviate from plans, blueprints, designs, specifications or timetables, such project will still be deemed to be the same project.
- VI. The provisions of **LIMITS OF INSURANCE** not otherwise modified by this endorsement shall continue to apply as stipulated.

All other terms and conditions of the Policy remain unchanged.

This endorsement, which forms a part of and is for attachment to the Policy issued by the designated Insurers, takes effect on the effective date of said Policy at the hour stated in said Policy, unless another effective date is shown below, and expires concurrently with said Policy.
