

NON-PROFIT MANAGEMENT LIABILITY

Coverage highlights

Any non-profit organization is vulnerable to the same kinds of lawsuits brought against for-profit organizations. Some well-funded non-profit organizations can even be targets for litigation simply because of their perceived deep pockets. Victor's Non-profit Management Liability program can protect the directors, officers, employees, volunteers, committee members, trustees and the organization itself.

Target markets

- Civic and social organizations
- Chambers of commerce
- Charities
- Foundations
- Human and social services
- Humane societies/animal shelters
- Museums & art galleries
- Trade and professional associations
- And many more!
